# BIG SUNDAY

At Big Sunday we believe that absolutely everyone has some way that they can help somebody else - and we get so much more done when we work together.

We began as a single day of service, and now produce and promote more than 2000 events each year, engaging, empowering and connecting more than 50,000 people of all ages and walks of life.

---

From D.B., who captures what Big Sunday is all about:

*Last Friday, two very kind men delivered your beautiful, brand-new queen-sized, pillow-top mattress set and frame to our apartment.*

*Later that day you hand-delivered us a full set of sheets, pillows, and gorgeous comforter to boot!*

*We have never been able to buy a new bed of our own.*

*You have brought emotional health and wholeness into our lives, and we simply can't thank you enough!*

*It is an absolute highlight of our 41 year marriage.*

*Bless all of you richly for this outpouring of grace and generosity!  
We have looked at your website and hope to become a part of your team.*
