BIG SUNDAY

Big Sunday connects people through helping. We see the world not as “haves-and-have-nots” but as “haves-and-have-mores”.

Everyone has some way that they can help somebody else, and we all have to look out for one another.

We are incredibly proud of how many people we're able to help – and equally proud of the countless opportunities we provide for folks to help others.

But what thrills us the most is that in a divided and divisive world, we've been able to engage, empower and unite good-hearted people of all ages, races, religions, means, sexual orientations and political bents in the name of respect, understanding, and kindness.

And that's true in times of crisis or in quieter times, too.

We are delighted to invite you for a memorable housewarming in our new, forever home. Everyone is welcome here.

We like to think of it as a unique oasis in the heart of the city.

We hope you can join us!
